Forecast For East of England
Issued by Met Office Exeter
at 1600 on Saturday 02 Oct 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Drier overnight with clear spells. Sunday, sunshine, scattered showers. Breezy.

This Evening and Tonight:
Residual heavy rain and strong winds soon easing through the evening. It will become generally dry by midnight with clear periods developing, especially in the west. Minimum temperature 8 deg C (46 deg F).

Sunday:
A much brighter day with plenty of sunshine through the morning. Becoming rather breezy by the afternoon, and although most parts staying dry, a few showers are likely. Maximum temperature 17 deg C (63 deg F).

Outlook for Monday to Wednesday:
Sunshine and scattered showers through Monday, locally heavy and perhaps thundery. Likely becoming wet and windy again on Tuesday, then an improving picture Wednesday as rain and strong winds ease.
